Important deadlines for your trade fair preparations

28 June | Closing date for applications DIE GOLDENE NOVA 2026

- All young talents can submit their application documents via the following link: **https://inova-collection.de/inova-awards/?lang=en**

15 July | Advertising options / Sponsorship packages

- Secure even more visibility with your customers. You can conveniently book the right advertising options and sponsorship packages via our 'Exhibitor Shop' in the **Online portal**.
  Print deadline: 22 July 2026

24 July| Order suspension points/trusses via our technical partner

- Suspensions are only possible according to the structural conditions on the upper floor at the designated technical facilities. Therefore, the feasibility of technical implementation must always be checked in advance by our technical partner **Kyritz Showtechnik GmbH**.
- **NOTE:** Suspension points may only be attached by our technical partner! The maximum transfer height is 4.1 m, with a maximum load of 80 kg on the DSH-60 wire rope holder.
- For the provision of suspension points in the exhibition hall, please send your enquiry to: haengepunkt@kyritz.tv

24 July | Orders in our webshop (rental furniture, power, services)

- In our 'Exhibitor Shop' in the **Online portal**, you will find everything you need to make your participation at the fair a success, from stand equipment and power & technology services, such as stand cleaning and case storage, to relevant service partners.

24 August | Postal and courier deliveries may be sent to the exhibition centre as of this date

- Messecenter Hofheim Rhein-Main
  INOVA COLLECTION
  „Exhibitor name" / „stand number"
  „Name of employee on site" / "Employee's mobile phone number"
  Robert-Bosch-Strasse 5-7
  65719 Hofheim–Wallau
  Germany

24 August | Registration exhibitor passes and setup/dismantling passes

- Registration of all persons is mandatory. The passes are personalised and non-transferable. Passes must be printed out in advance and worn somewhere visible while on site

Registration link: Exhibitor pass *(Pass valid for the whole period from 24 August to 01 September)*
Registration link: Set-up/Dismantling pass *(Pass valid only during set-up and dismantling periods)*

Please note that if you have an exhibitor pass, you do NOT need an additional set-up/dismantling pass!
